How getting the credit works

The one-time credit will be applied to the administrative fees on your second Aetna Funding Advantage bill.

*Excludes groups based in California. A group can only be eligible for an administrative fee credit at their effective date based on the number of enrolled employees at the time the case is sold. This material is for informational purposes only and does not constitute a contract. The offer is provided at the sole discretion of Aetna and can be terminated at any time and without notice.

**Group must meet all standard underwriting requirements.

Save later with a surplus guarantee

We guarantee that you'll get a surplus from us at your first renewal. The surplus amount we guarantee is decided based on how many enrolled employees you have when your case is sold.

- If you earn a higher surplus than we guarantee, that's what you can keep if you renew.
- If the surplus you earn is lower than the surplus guarantee, you'll get the guaranteed amount if you renew.*

See how much we'll guarantee you based on your business size in the chart below.

You enroll	You get back
2-4	\$500
5-9	\$1,000
10-14	\$1,500
15-24	\$2,000
25-50	\$5,000
51-100	\$7,500

For example, if you have 12 enrolled and you earn a surplus of \$1,200, you'll get \$1,500. But if you earn a surplus of \$1,800, you'll keep all \$1,800.**

How getting the surplus payment works

Whether you take the surplus you earned or the guaranteed surplus, the amount is credited to your account 90 to 150 days after your first renewal.*

*Applies to the cost of the next year's plan. Applies to the first renewal only. The offer is valid through January 1, 2023. Only groups that renew are eligible for a one-time surplus guarantee. Guaranteed surplus tiers are calculated based on number of enrolled subscribers at the time the case is sold.
