

Who we are

KANSAS CITY LIFE INSURANCE COMPANY

Security Assured

Since 1895, Kansas City Life Insurance Company has been dedicated to the tradition of honesty, integrity and sound business practices upon which the Company was founded. In this day and age, strong, family-owned companies are rare, but Kansas City Life is known for long-term relationships, high-quality work and high broker and associate loyalty. In fact, we are one of the few active national financial services companies to be led by the same family for four generations.

So who are we? We are the men and women dedicated to offering clients and brokers superior service, exceptional products and the opportunity to be a part of a family with a rich tradition of honoring our commitments and keeping our promises.

To us, integrity is not an outdated notion in today's fast-paced world. It is the guiding force behind every decision we make. Every product we sell is backed by more than a century of financial security.
